

THERAPEUTIC STRATEGIES IN ONCOLOGICAL GYNECOLOGY: towards what future?

NH Hotel Turin, February 9th – 10th, 2023

SCIENTIFIC PROGRAMME

THURSDAY FEBRUARY 9TH, 2023

13.30 Registration

14.00 Introduction and Welcome - **Annamaria Ferrero (TO), Paolo Zola (TO)**

I SESSION – ENDOMETRIAL CANCER: first line therapy

Moderators: Enrico Sartori (BS), Annamaria Ferrero (TO)

14.15 Primary surgery – **Elisa Piovano (TO), Francesco Raspagliesi (MI)**

15.00 Determination of prognostic factors (radiologist med nuclear ultrasound pathologist) -

Margherita Goia (TO), Massimo Petracchini (TO), Francesca Giunta (TO), Luca Fuso (TO)

16.00 Concluding remarks by the Moderators and discussion

16.30 Coffee Break

II SESSION – ENDOMETRIAL CANCER: adjuvant therapy and management of recurrence

Moderators: Chiara Benedetto (TO), Angiolo Gadducci (PI)

16.45 Adjuvant therapy. determinants and rational - **Nicoletta Colombo (MI)**

17.30 The therapy of relapse and advanced cases: an interdisciplinary debate with a decision algorithm
– **Stefano Greggi (NA), Roberta Lazzari (MI), Dionyssios Katsaros (TO)**

18.30 Discussion

19.00 End of works

FRIDAY FEBRUARY 10TH, 2023

III SESSION – CERVICAL NEOPLASMS: screening and vaccination

Moderators: Nicoletta Biglia (TO), Fabio Landoni (MI)

- 08.30 GISCI experience – **Tiziano Maggino (PD)**
- 09.00 Where are we with vaccination? – **Mario Preti (TO)**
- 09.30 Neoplasia of the cervix: a pathologist's assessment - **Gian Franco Zannoni (RM)**
- 10.00 Discussion
- 10.30 Coffee Break

IV SESSION - CERVICAL NEOPLASMS: evolution of therapy

Moderators: Saverio Danese (TO), Andrea Puppo (CN)

- 10.45 The therapeutic strategy – **Christhardt Kohler (Amburgo)**
- 11.15 Discussant: **Fabio Landoni (MI)**
- 11.30 Discussion
- 11.45 The point on traditional radiology and nuclear medicine - **Desirè Deandreis (TO), Stephanie Gentile (TO)**
- 12.30 The development of medical therapy - **Domenica Lorusso (RM)**
- 13.00 Lunch

V SESSION – OVARY NEOPLASMS: the evolution of therapy

Moderators: Annamaria Ferrero (TO), Paolo Zola (TO)

- 14.00 The problem of mutation (BRCA vs HRD) - **Barbara Pasini (TO), Maurizio D’Incalci (MI)**
- 14.45 The retroperitoneum: Surgery vs imaging – **Alessandro Buda (Alba), Massimo Petracchini (TO)**
- 15.30 The management of the prevalent case: from diagnosis to treatment - **Anna Fagotti (RM), Donatella Tota (TO), Giorgio Valabrega (TO)**
- 16.30 Discussion
- 17.00 Questionnaire and conclusions
